| Comments:            | <p>I have family who live in the vicinity of the proposed build. I object to the building of these properties as they will have a detrimental impact on some of the properties in The Lapwings and The Turnstones.</p> <p>The proposed buildings will affect the privacy of the existing properties, as they will be higher and overlooking. The proposed buildings will also block a considerable amount of sunlight to the existing properties.</p> <p>I have also witnessed two protected species in the vicinity of the build.</p> <p>A number of slow worms are living in the area and bats are nesting in the trees. If these species are disturbed and their habitat destroyed, it will a great loss to our wildlife.</p> |
