Reasons for comment:	
Comments:	I object to the building of these 4 properties. I have family who live nearby and it will have a severe impact on theirs and their neighbours properties. These new builds will be overlooking the existing homes and encroach on their privacy, as they will be quite a bit higher. I feel being that much higher, the new builds will also block a significant amount of sunlight. There are also protected animals living very near to the area they want to build on, bats in the trees and slowworms on the ground.

Kind regards
