Reasons for comment:	
Comments:	4 x 4 bedroom houses would mean at least 8 maybe 12 extra cars up and down the road. It is already dangerous entering and exiting the drive which is narrow and with bad visiblity. Very bad at rush hour times. Most houses of this size have 2 or 3 cars per household. there is already difficulties with the houses that are there already let alone adding another 7 which is proposed. As a private road we have all paid in to the upkeep of the road and what is the proposal for the new houses as regarding maintenance toward the upkeep?

Kind regards
