Dear Sir/Madam,

Planning Application comments have been made. A summary of the comments is provided below.

Comments were submitted at 03/03/2025 5:36 PM from [REDACTED]

Application Summary

Address:	St Josephs Convent Of Mercy Hillside Drive Gravesend Kent DA12 1NY
Proposal:	Change of use of surplus convent buildings into two 6-bedroom townhouses, demolition of existing single-storey extensions to the west and construction of a 2-bedroom attached chalet bungalow, reorganisation of the convent car park and alterations to create a front entrance, erection of two single-storey bays to the rear elevation, dividing up the existing garden, and forming a new driveway to access the gardens to the rear.
Case Officer:	Mrs Alison Webster

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	Would like the convent to address the existing boundary wall between hillside avenue and the convent that is leaning a great amount if this was to come down would cause serious damage and have further issues if this to be between multiple owners as half of our gardens would be two different owners, one property close to us has had a fence erected in place of the wall don't know if this is something we can all have done or something they have done themselves? I would also like the convent to take into account noise levels as any work done amplifies from the convent into hillside avenue due to the elevation of the convent, the gardeners are relentless with the leaf blower for hour end Saturday and Sundays this can be heard indoors with double glazing closed also with the recent scaffolding being erected we could hear the foul language of the builders / Scaffolder's as clear as if they were in our own garden, have no objection to the convent making changes or updating their property as we are too along with others in the area
