Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	following on from previous message They are rewarded with a prestigious green belt site so this way of life can be enjoyed at the expense of tax payers and local residents I am sure you are aware the infrastructure in this area is not sufficient for additional traffic and residents. The lane at best is difficult to negotiate without additional trucks, lorries, trailers etc. The law should be upheld snd we should not be put in this situation yet again.

Kind regards
