Reasons for comment:

Comments: The proposal is a substantial enhancement of planning application ref: 20200554 which was refused and subsequently dismissed on appeal ref:APP/K2230/W/20/3271514.

Such a development would risk further environmental harm and significantly change the character and appeal of this special landscape green belt area.

By effectively merging the villages of Meopham and Sole Street, it would pose a risk of initiating further development, totally changing the area's special landscape character.

Kind regards
