## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I think this development has the potential to help more people in the area with more housing. At the moment, it's just ridiculous even trying to attempt to buy a house. The rent is always increasing here as well. Better-insulated homes with better energy efficiency will always be a positive. We're also in dire need of more walking routes so I'm glad those are being included in the plans.

Kind regards
