| Comments: | This development will increase the number of residents in the village which is already a small town and not a village any more. It is difficult to drive along the Longfield road at the moment from Meopham towards New Barn with the number of cars that are parked near the school., often having to reverse when a car comes the other way that could not be seen. Local amenities are under pressure already with the number of residents in the village such as the doctors surgeries, dentists and being able to park at the shops.I now drive from Meopham to lstead rise to use the post office, local groceries or the fish and chip shop. |

Kind regards
