Reasons for comment:

Comments:	<p>I strongly object to this development.</p> <p>The is adjacent to and with access to the A227 at a busy and difficult junction. The A227 is already a very busy road with frequent delays. This road is already subject to considerable traffic and delays. Additional traffic will only make delays on this road worse.</p> <p>All the infrastructure, including schools, healthcare, roads and amenities, is already under pressure. This development will only add to this.</p> <p>This is yet another encroachment onto the green belt and agricultural land.</p> <p>Meopham is a historic and rural village but is slowly losing its identity and is becoming more like a town.</p> <p>There are several similar applications and these should not only be looked at individually but as a whole.</p>
