3rd July 2026

Dear Sirs,

Re 11 Nursery Road, Meopham, Gravesend, DA13 0NE
Erection of a garage extension.
Ref: GR/2026/0608

The Society would wish to raise an objection in that the proposed garage extension is at the front of the property, projecting beyond the building line.

This arises because the rear of the garage has previously been converted into part of the dwelling. If constructed, the extension projecting beyond the building line would impact adversely on the street scene.

Yours faithfully

Mrs P Lippiatt
Hon. Secretary
