Reasons for comment:	
Comments:	<p>The current infrastructure will not be able to cope with the amount of additional traffic, not only the new residents but deliveries, services etc. The roads are far too narrow and there is already a bottle neck at the end of Green Lane during peak times especially when there are problems on A2 and these side roads are used for cutting through.</p> <p>The GP & NHS already have a massive strain on them without an increase to the local population</p>

Kind regards
