Reasons for comment:

Comments:	<p>Traffic Congestion: Existing congestion would be made worse by 150 new homes. This is a small lane, and not suitable for the additional traffic volumes this would create. Local bus services are very limited, and therefore not a viable option.</p> <p>Loss of Green Space: This is high grade agricultural land. Development would remove accessible public land used by walkers, families, and nature lovers.</p> <p>Local Services Strain: Schools, healthcare, and road networks will not cope with the increased population. The schools and doctors surgeries in the area are already at capacity.</p> <p>Loss of Rural Character: Development seen as urban sprawl, damaging the village's identity and landscape.</p>
