Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There are not enough facilities in this area to accommodate 150 houses with occupants/children etc. Green Lane is very narrow in places and is very dangerous for pedestrians and car drivers. There is insufficient public transport for residents to get to and fro to Doctors, hospitals etc. The A227 infrastructure cannot cope with traffic - at school times already massive congestion and dangerous for children crossing the roads, especially in the dark.

Kind regards
