Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	High grade farmland should be used for food production. I understand the intended access to site from a tiny rural lane is going to be extremely dangerous. Already the A227 is a very busy road, used not only for village access but also as a through road. Our community services i.e. GP is already overstretched.

Kind regards
