Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I strongly believe and support this project as in Gravesham borough council the Muslim community is growing very rapidly and there is not enough social and religious places available for people to pray as currently people have to pray outside mosques in most days even during rain or hot days. This project will help people to pray and help them to perform their religious activities .

Kind regards
