Comments:	Hi It is very important Muslims of Gravesend must feel that they are the part of the other communities in gravesham. And also Muslims community of Gravesend feel free to participate their religious activities particularly praying in Mosque, as growing population of Muslims in gravesend its quite difficult to pray local Mosque building. The application to increase the capacity of local Mosque is important for the community and also growing economy of Gravesend and local business. I really appreciate your favorable consideration regarding this application. Thanks and regards [REDACTED]
