Reasons for comment:

Comments:	<p>By building here you will increase traffic in an area that is already busy at high demand times. Casuing environmental issues and road wear issues.</p> <p>This will also cause higher risk to children and members of the public crossing the roads to get to school and other areas</p> <p>Also the one of the main reason people move to Kent is to get away from high rise, large scale construction in london, something I grew up in.</p> <p>We move here to to enjoy fields farms and parks.</p> <p>This will total ruin the feel of Meopham.</p> <p>I personally was denied planning permission for s small extension. One of the reasons was due to the aesthetics. So how can this massive scale plan be viable.</p> <p>I do understand the need for housing however there must a more suitable place.</p> <p>Not only this, but it also places further strain on the resources within the small area of meopham.</p> <p>Schools, gps, shops and other resources will be harder to access for locals who already pay a very high council tax.</p> <p>Crime will go up due to criminal realising there are new houses to target.</p> <p>All in all there are very few positives to this.</p>
