Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	This building work has blocked all sunlight [REDACTED] home i have disabilities and its cause so much anxiety and depression we have no sunlight [REDACTED] lounge or garden its awful to have as a view and now the council have made adaption to this property to make my life more independent [REDACTED] has taken away what I liked most days when I couldn't get out which was to sit [REDACTED] garden . If everyone carries on building like this natural sunlight and views are going to have a detrimental impact on mental health not just mine but the whole community . Im now stuck in a property with no view no sunlight no happiness as no one wants too exchange properties .also gravesham councils asset in this property has devalued
