Reasons for comment:

Comments:	I view this daily [REDACTED] bedroom its also blocked sunligh [REDACTED] garden and living area ,we did have some what of a view not no more my family used to love the garden especially my mum her greenhouse has to come down as she did get sunlight and you have ruined her hobby no one wants to look at a 6ft concrete eyesore day in day out the negative site and mentally draining site needs too come down no doubt we will now have to start b12 injections amongst having to live with the lights on also I belive it breaks the rule 45 act ,the right too sunlight and a right to live also speak !!! Someone needs to listen for future generations to come break one rule their break every rule
