Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We already have problems with the amount of traffic on the rise, we have problems with the drains. We are unable to get GP appointments, Dental appointments, schools are full and local hospitals already have patients on beds in corridors because they can't cope with the population. We have water issues. I could go in and on.

Kind regards
