Reasons for comment:	
Comments:	Please do not let this development happen, Istead Rise village has greenbelt land and with the a2 so close its very sparse on land and trees that protect us from co2 levels. Our services in the area are at capacity, our primary school is small, our doctors are full. We have lots of wildlife and birds of prey that live in the trees and land. please hear the voices of the village and reconsider this option.

Kind regards
