Reasons for comment:

Comments: The A227 is a very busy road at the best of times with many vehicles including HGV's and farm vehicles using it as well as a cut through if either the m20 or A2 have issues, having another entrance/exit from Newlands Lane which is quite narrow with no passing places or footways it is also used by many dog walkers and horse riders.
The local schools are full and to try and get a doctors appointment, even going through the triage system is nearly a week wait to see the doctor.
We experience many power cuts in Meopham/Culverstone area which can last for many hours at a time.

Kind regards
