Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Cannot comprehend how a development on this scale can enhance the neighbourhood. ALL services will not cope with the demand and in particular the Highways. Newlands Lane is not suitable for access and consideration should immediately be considered for Newlands Lane to be designated status as a "QUIET LANE". It is urged that ALL local people, Kent County Council and all local authorities investigate this further.

Kind regards
