Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Loss of valuable farmland this is a productive site only left fallow this year to allow soil to rest to recover nutrients etc Inadequate Dr facilities as local drs are over subscribed Local hospitals unable to cope with demand patients are treated in corridors poor bus service unable to walk to local train stations in Gravesend and Meopham due to lack of safe footpaths More traffic congestion along A227 Local schools are already over subscribed. Uncertainty regarding water supplies Plan doesn't benefit or reflect needs of local people in particular we need more suitable accommodation for elderly people to grad down to smaller properties and wish to remain in the local area removing trees will impact the local wildlife in particular Bats that reside in them

Kind regards
