Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this Planning Application for reasons as follows. This land is Green Belt and has been for many decades. It is regularly farmed for various crops. If this status is removed for a private development, Green Belt protection has no meaning, it would be a disgrace. Current traffic levels in the area are high, they would become intolerable if this development goes ahead. Closing Norwood Lane would infringe the rights of the lane's residents and create many problems. Such a relatively large increase in the local population would put additional strain on our already stressed infrastructure. GP services, hospitals, bus transport etc., all currently inadequate would become even more dire. This proposal, together with the other current planning proposals for this small area, will lead to the demise of Meopham as a reasonably good place to live and see it choked by urban sprawl. I strongly urge the Planning Authority to refuse this application.

Kind regards
