Reasons for comment:

Comments: This development is really unrealistic. Building over 700 houses would make the whole road network come to a virtual standstill. The roads are just not built to cope with the amount of traffic this build would need. When there is a problem on the A2 or A227 traffic is unbearable at the moment. I dread to think of the impact on trying to move around if this development is given to go ahead. Doctors, dentists and schools would be completely out of their depths. Also, it would join Meopham and Sole Street together which would not be good for any one.

Kind regards
