Reasons for comment:

Comments: I OBJECT.

The site provides a valuable habitat for local wildlife, e.g., nesting birds, badgers, etc. Development would destroy these habitats and ruin our beautiful countryside. The country is already going down hill (and very fast) - we have a beautiful countryside that is one good thing about this country. Do not ruin it by developing on it as once it's developed on, we can never get it back. So many people are leaving this country, stop giving them reasons to leave, I am living here because I love the countryside. PLEASE DON'T RUIN IT!!

Kind regards
