Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Despite the application stating that they will supply infrastructure, I completely object. The infrastructure may include a road to their new primary school. However, the country lanes around sole street, cobham and Meopham are not equipped to deal with new dwellings and new roads. There is no plan for a doctors surgery, dentist, nursery or pre-school. Our village simply cannot support a new housing development .

Kind regards
