Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	object purely on the bases that Wrotham road round about accessing m20 motorway cannot cope with the current amount of traffic as it is. without alterations to the areas roads i cannot fathom how you can keep building houses. either a bypass onto the m20 needs to be created or an alternative route that does not bring traffic to Wrotham road.

Kind regards
