Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I totally oppose the proposed development on the following grounds - I am against building on green belt due to loss of farmland, destruction of wildlife habitat. Proposed will dramatically increase noise, air and light pollution. There will be a significant adverse effect on present village, overburdening of facilities including schools, doctors, hospital. Likely increase in flooding. Untenable increase in traffic and congestion with serious adverse effect on road safety. No local need for this development. Borough and National direction should focus on development of brownfield sites and new town projects such as Ebbsfleet Central. This application would merge Meopham and Sole Street which is not acceptable. Proposal is out of character with the rural environment.
-----------	--

Kind regards
