Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object. We purchase nearby to be semi rural. The amount of houses to be put in the land concerned is too many and the roads cannot cope. Neither can the local facilities. The location is not suitable. This is a sought after location and this will devalue the land. How will the increase in crime, deliveries, people, cars be managed? The surrounding roads are already significantly impacted by existing road works, any issues on the A2 and get gridlocked easily. Each household has more than one car. I object.

Kind regards
