Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this planning permission due to the fact Meopham and inparticular, the main A227 would not be able to cope with the additional population, vehicle traffic and required services that this proposal would create. This is a village which enjoys its green spaces and as such, has a very rural village feel in nature. As residents, we do not wish to be overpopulated by more unnecessary housing. Also, the natural habitat of many local wildlife depend on this land staying as rural countryside and not being developed into housing. I strongly object to this proposal and hope the village retains its historically natural feel and rural status.

Kind regards
