Reasons for comment:	
Comments:	There are lots of brown belt areas not far from here that should be prioritised before ANY building on green belt areas. This would create horrendous traffic along Wrotham Road and a dangerous amount of traffic tailing back on the A2. The hospitals nearby are at their limit. Doctors surgeries are struggling. A terrible lack of primary and secondary school choices in the surrounding areas. This would affect the surrounding villages greatly. This plan would also completely merge two villages together. Please leave the green belt alone! There is still so much brown belt left untouched.

Kind regards
