Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Good morning to whoever it may concern. I have lived in Meopham over 25 years and we live opposite the Meopham secondary school and Meopham medical centre. The school traffic since the extension was completed last year is horrendous and the waiting time to see a doctor is similar. parking at the Camer shops is impossible most of the day, with the addition of breakfast rooms and nail bar and coffee shops. These additional shops attract people who park for an hour or more, which adds to the hairdressers customers. Meopham does not have the suitable infrastructure to support what it already has, planning have let the community down by allowing some of these types of shops and clearly will continue to do so if this massive planning application is approved. 50 houses might be tolerable but over 400 in total is ridiculous to fulfil a housing requirement in the wrong area. There is already massive car parking problem at the Meopham infants school in the mornings and afternoons, so another 400 houses within 500m of this and the shops has clearly not been thought out, just a grab for housing in a green belt area. Graham Wakeman

Kind regards
