Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The local schools will not be able to cope with the number of new families that would be in the area. The traffic at school time is already horrendous in that area, further houses will cause absolute gridlock causing excessive pollutants in the air particularly by Meopham Community Academy that is on the corner of the main road. Greenbelt land should remain, the area is being ruined.

Kind regards
