Reasons for comment:	
Comments:	Meopham is not a town and does not have the infrastructure (Doctors/Schools/Dentist etc) if we add the huge numbers to an already large population if all these houses are built. I reside on the A227 is also way too busy and cannot cope with the amount of traffic currently without hundreds more cars on the road. There are also lots of wildlife that would be impacted if homes built. We need to preserve our beautiful countryside and look at other alternative places to build affordable homes

Kind regards
