Reasons for comment:	
Comments:	The building of so many homes in this area will create havoc. The roads cannot sustain the amount of traffic coming through the village. The local services cannot cope already and the carrot of a new school car park! Parking at the shops in Camer Parade is already a nightmare! The A2, is also a problem and cannot cope with all the traffic from the Ebbsfleet Village. Why does the building of houses have to be on such a large scale?

Kind regards
