Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is a lovely village with many properties worth in the region of one million pounds. This type of application would have an adverse affect upon the area and bring down the value of properties, especially in the immediate vacinity of the site. The roads are narrow with some roads having no pavements or street lighting. This application is a definite no no.

Kind regards
