Reasons for comment:

Comments: I support a screening opinion. I've lived in Meopham for 53 years and during that time, I've not seen the infrastructure be updated to cope with an added population. What are you going to do with all those extra people where we are already struggling with the drs, traffic on Wrotham Rd, full up schools, trains. These are daily struggles now, what's your proposal to ease this going forward? Please follow the correct procedure for planning, there's a reason it's there.
