Dear Katherine,

Building Regulations and Fire Safety Consultation Response

Re: Higham Railway Station, School Lane, Higham, Rochester Kent

I have examined the plan drawings and the associated email dated 6 February 2023 detailing the proposed building works.

Building Regulations 2010: Part B – Fire Safety

I make the following observations in an advisory capacity regarding those matters which may require consideration to comply with the Building Regulations: Part B-Fire Safety.

B5 Access for the Fire and Rescue Service

I can confirm that on this occasion it is my opinion that the access requirements for the Fire and Rescue Service appears to have been met.

If you require any further advice, please contact this office. Please be aware that the Building Safety office hours are 09:00-17:00 Monday to Friday.

Yours faithfully,

Mark Brown MIFireE
Fire Safety Inspector
