NOTICE OF A  
PLANNING APPLICATION  
The Council has received an application for planning permission for the proposed development of a new building on the site of the former school. The proposed development is a new building of approximately 1000 sq m, to be used as a community centre. The proposed development is located on the site of the former school, which is situated on the corner of the main road and the lane. The proposed development is a new building of approximately 1000 sq m, to be used as a community centre. The proposed development is located on the site of the former school, which is situated on the corner of the main road and the lane.
