**Location - The Builders Yard, Lower Range Road, Gravesend, Kent

**Proposal - Application for approval of condition 4 attached to planning
permission reference number 20190520 relating to the details
of the Code of Construction Practice.**

Thank you for your consultation in relation to the above discharge of conditions planning application. I have the following comments to make with respect to highway matters :-

I am pleased to note that the applicants have submitted a Code of Construction Report, which includes a Site Setup Drawing. I am satisfied that the information submitted is satisfactory and I would have no objection to condition 4 (code of construction practice) being discharged from a highways perspective.

Yours Faithfully
