5297_CL_Planning Application Cover Letter for GHS Junior Block Roof Repairs_250520

Dear Sir or Madam,

Planning Application for Junior Block Roof Repairs at Gad's Hill School

This application is for a new canopy for Gad's Hill School's Junior Block. Permission for this canopy was previously granted in 2010, planning reference 20070188, as part of the overall planning permission for the block's construction, however the canopy was not completed at the time due to cost cutting.

As such, it could be dealt with as a discharge of condition 3 for the previous application, rather than a full planning application in its own right. We have submitted this as a full application just in case.

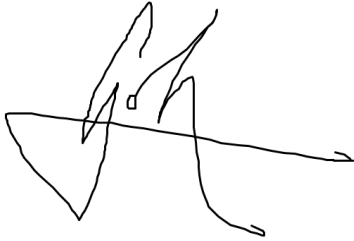

Please could you advise on the most economic application and fee for our client.

Please find enclosed the following documents:

- 5297_CL_DAS_A3
- 5297PL100_existing block plan
- 5297PL101_proposed block plan
- 5297PL110_existing and proposed ground floor plan
- 5297PL111_existing roof plan
- 5297PL112_existing west and east elevation
- 5297PL113_existing sec AA and north elevation
- 5297PL121_proposed roof plan
- 5297PL122_proposed west and east elevation
- 5297PL123_proposed sec AA and north elevation

We trust the information is in order, please contact us if you need any additional information.

Yours Sincerely,
