Reasons for comment:	
Comments:	I would like to live in this house. I live on [REDACTED] Very often lift doesn't work. I'm 66 years old. This new house is in very good place - close to bus and railway stations, hospital, different shops. I hope the building will be 3 floors high. And it is important that the residents are of similar age. I believe a wonderful community will come together. Good luck with the building , finance, time, contractors and residents.

Kind regards
