Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This development will destroy greenbelt land and cause urban sprawl by joining Sole Street to Meopham/Hook Green. Local infrastructure cannot cope with additional houses/residents, in particular local GP and other healthcare services. Wrotham Road is already very congested (particularly at school times) and will struggle to cope with additional traffic. Additional pollution is also a big concern. Local public transport is already overly crowded, such as commuter trains to London and does not have the capacity for additional users. There will be increased flood risk due to the loss of open fields capturing water and Norwood Lane and Wrotham Road already suffer floods in heavy rain.

Kind regards
