Ref: Planning application 20240545 re. 1 Strand Close, Meopham

Dear Ms Harrison,

In the light of the revised plans to extend this property that we have recently received, we wish to reiterate our **strong objection** to this planning application, on the grounds that the rear extension will still have an **overbearing effect** and will considerably reduce the light to our kitchen, which is our main point of concern. It will also still block what little view we have.

Your sincerely,
