Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The applicant has shown a total disregard for the planning rules and for the environment where he wishes to site the caravans. There has been extensive damage to the trees in the lane caused by the applicant. The fencing and changes to the site are an eyesore and have been done ahead of gaining any planning permission. There have been issues with dogs on the loose in the lane adjacent to the site. It is clear that this will not stop at eight caravans just as the first application did not stop at a single site.

Kind regards
