

The main concerns raised by the officer were in relation to soft landscaping and highway safety.

It was made clear that the shrubs and small bushes need to be retained to ensure that the entire front of the property is not solely hard landscaping as this would be detrimental to the character and appearance of the wider street scene as well as to the property itself.

Furthermore, concern was raised regarding the highway and parking situation. It was highlighted that the majority of the dwellings along Old Road West have a single or double parking space to the front of the property. The main point that was made clear was that highway safety was extremely important. Given the single yellow lines along the street, the visibility will not be hindered by parked cars, however some concern was raised about the neighbouring wall to the east which could impact the 43m visibility splays as a result of its height.

Overall, unless accident records suggest otherwise or the sight lines cannot be achieved, then there would be no reason for refusal.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
