Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to the proposed application as the roads and lanes around the village are already at full capacity without the introduction of extra traffic from 120 new houses.</p> <p>It is green belt land and needs to be used for farming and food production.</p> <p>It is also near a SEN school where the children often play out and are sensitive to noise and stress.</p>

Kind regards
