Stance: Customer objects to the Planning Application

---

Reasons for comment:

Comments: I object to the proposed application as it is green belt land and prime farmland and should remain for the production of food.

The proposal would be dangerous for 350 new homes off the main A227 at a busy intersection with shops and schools nearby.

Also there is a lot of wildlife in a conservation area which would be under threat and their habitats should be protected.

Kind regards
